ACADEMICS

An overhead view of a group of six students in a creative studio. They are gathered around a small, light-colored table. On the table are several open books, a red folder, a blue folder, a red pen, and a pink pen. One student is pointing at a book, while others are looking at their own materials. The students are dressed in casual attire, including a plaid shirt, a green tank top, a blue long-sleeve shirt, and a grey t-shirt. The studio has a dark grey tiled floor and two red leather armchairs. The text 'CREATIVE STUDIO' is overlaid in large, white, bold letters on the left side of the image.

RECENT EMC PARTNERSHIPS

A woman is seated in a flight simulator cockpit. She is looking forward at a large, curved screen that displays a virtual landscape of green hills and a white airplane flying overhead. The cockpit interior is visible, including the instrument panel with two digital displays and control sticks. The lighting is dim, with a blue glow from the screen.
